Shopping and attractions at the Dubai Mall, the world's largest mall.

On your cruise, enjoy shopping in Dubai in a mall packed with attractions, amusement parks and a record-breaking aquarium.

The Dubai Mall is the largest shopping mall in the world, a city in the capital of the Emirate of Dubai, with more than 1,200 stores and attractions of every kind. Here is some guidance to help you find your way in this shopping paradise – and not just during a cruise in the United Arab Emirates.

"The world's largest suspended aquarium is home to 33,000 marine species".

The record-breaking Dubai Mall

The Dubai Mall is worth a visit even if you're not a shopping connoisseur. Opened in 2008, it is the largest shopping mall in the world by number of shops: more than 1,200 over an area of 836,000 square metres. It even has an internal taxi service! It is visited on average by six million people a month.

How to find your way among 1,200 shops

Walking around the Dubai Mall is an adventure! Plan your trip according to your interests: you can lose yourself among the large luxury stores such as Bloomingdale's or Galeries Lafayette, or take a stroll along Fashion Avenue, the long corridor dedicated to *haute couture*. If you're looking for beautiful shoes, head to the shopping area Level Shoes. Don't miss Gold Souk, the largest concentration of goldsmiths and jewellers on earth, or Candylicious – one square kilometre of sweets and candies!

The aquarium and other attractions

The jewel in the crown of the Dubai Mall is the Aquarium & Underwater Zoo, among the largest in the world and home to 33,000 marine species. Visitors can go cage snorkeling, and even feed the sharks!

Then there is the VR Park Dubai, a virtual reality amusement park, the haunted house Hysteria, an Olympic-sized ice skating rink, the beautiful fountain show with its diving statues... If you're looking for a more ancient atmosphere, head to the Dubai Dino, the skeleton of a 155 million-year-old dinosaur, or Souk Al Bahar, which is a reproduction of an Arab souk. It's impossible to get bored at the Dubai Mall.

Seven Mile Beach: the Cayman Islands' most beautiful beach.

Grand Cayman has one of the world's most famous beaches! See it on a cruise over the winter.

If you want to see with your own eyes one of the most beautiful beaches in the Caribbean, and therefore the world, Costa Luminosa will take you to Seven Mile Beach, the jewel in the crown of the Cayman Islands. Visiting tourists fall in love with it, putting it among the top slots in the TripAdvisor (and other) rankings of the most beautiful beaches on the planet.

"You can fly over it in a helicopter, taking in the view from a unique perspective: an unforgettable experience."

A tropical paradise

The name is a little generous: Seven Mile Beach is very long, but in reality is just over six miles (about 10 kilometres). But it loses none of its fascination, even at this slightly shorter length: located on the west coast of the island of Grand Cayman, it is a crescent of white coral sand as fine as talcum powder, flanked by palm trees on one side and a crystal-clear sea on the other. It is home to the island's chicest resorts, but the beach is wholly public, and if you wanted to, you could walk the whole "seven" miles continuously.

Excursions to Seven Mile Beach

To enjoy the tropical paradise of Seven Mile Beach, you only need to relax on the sand, sip a drink and enjoy a refreshing swim. But CostaTours also offers you the opportunity to discover it in other, more thrilling ways. For example, you can shoot along the beach on a Segway, or fly over it in a helicopter, taking in the view from a unique perspective: an unforgettable experience, and the only way to see all the ocean's hues, from emerald green to a deeper blue.

A fascinating journey

Falcons soar upwards into the morning air and dive down in an impeccably graceful curve. From the ancient city centres to the tops of the skyscrapers, everything we see takes us back to an undeniable splendour. It harbours secrets, however, which remain hidden to us, but which add to the charm of this trip.

For increases in fuel costs of 10%, the price of the lowest cruise category shown in the brochure (excluding any flights, transfers, port taxes, and memberships fees and service charge) will be 3% higher. The increase shall apply to all passengers for all departure dates for the cruise in question. The online brochure is available on the homepage of the website www.costacruise.com ;

As regards the Emission Trading Scheme (ETS – "carbon tax") in accordance with Legislative Decree no. 257/2010, in the event that the relevant conditions apply, the tax payable by each Passenger for each charter flight, charged by the carrier, corresponds to the product of the tonnes of Jet Aviation fuel burnt for each seat/rotation [A], the "average market value" of the pollution for the previous month, as announced by the carrier, n-1 [B], and the coefficient 3.15 [C]. The average ETS market price is public information and can be checked on the website www.bluenext.eu. The amount of fuel consumed per passenger, as declared by the carrier, is as follows:

Flight time to destinations and fuel consumed (per pax) :

Up to 2 hrs Italy, Europe, Balearic Islands, Tunisia 0.0701 ;

from 2 to 3 hrs Greece, Turkey 0.0968 ;

from 3 to 4 hrs Israel, Portugal, Russia 0.1380 ;

from 4 to 5 hrs Canary Islands, Egypt, Jordan 0.1555 ;

from 5 to 7 hrs Cape Verde, United Arab Emirates 0.2440 ;

from 7 to 8 hrs Kenya, Tanzania 0.3914 ;

from 8 to 9 hrs Dominican Republic, Guadeloupe, Jamaica 0.4392 ;

from 9 to 10 hrs Brazil, Maldives, Madagascar 0.4769 ;

from 10 to 11 hrs Cuba 0.5022 ;

over 11 hrs Japan, Mexico 0.5307

e.g. a flight to Guadeloupe, supposing that the ETS market price is €6.90 $\square$ 0.4392 tonnes [A] x €6.90 [B] x coefficient 3.15 [C] = € 9.55 R/T (approx. €4.77 per leg of the journey). 4.4 The prices are understood to be per person. However, in the event of unused tickets or cancellations resulting in a Passenger being the sole occupant of a cabin, a supplement shall be payable on that cabin.

6. CANCELLATION BY THE PASSENGER

6.1 In accordance with Art. 42 of the Tourism Code, a Passenger may withdraw from the contract, at no additional cost, only in the cases and subject to the terms in Art. 5, as well as in the event of the holiday package being cancelled before departure for any reason, unless this is due to the fault of the Passenger. A Passenger who exercises their right to withdraw shall have the right to an alternative holiday package of equivalent or higher value at no additional cost, or to a holiday package of lower value with reimbursement of the difference; otherwise, they shall be reimbursed for any amounts already paid within seven working days of the date of withdrawal or cancellation.
